

Japanese Visa Photo Requirement

(<http://www.immi-moj.go.jp/tetuduki/index.html>)

The images below are not acceptable for the reasons described:

Face is not centered

Face is turned to the side

Background is too dark,
hair difficult to distinguish

Hair is covering face

Body is turned to the side

Frames of glasses are
covering the eyes

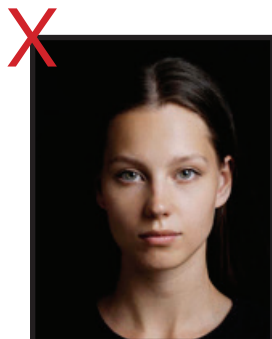

Glare on glasses is
covering the eyes

Frames of glasses are too
large and cover face

Too much facial expression
may make it difficult to match
the image to the person

Features are indistinguishable
from dark background

Picture is of low-quality or is
blurry

There is a shadow over the
individual's face
